

Child Friendly Version of the Safeguarding Policy for Wentworth Primary School.

(Wentworth has a safeguarding policy for staff, families and governors. This version is for children and should be read as a guide to the main policy).

Q: What is this for?

A: To help you decide what is a problem and where to get help and support.

The adults at Wentworth are here to help you, if you are worried about anything!

Sometimes people treat us in a way that makes us feel scared or hurt. It is important to tell an adult when we are scared or hurt.

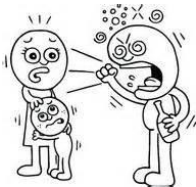

Some of the things that may be making us frightened are:

When someone (including adults) hits, kicks, pushes, bites, burns or hurts you or someone else.

When someone touches you in a way you don't want them to or if they ask you to touch them. It may be touching your private parts or making you watch things you don't like.

When someone says bad things to you, bullies you or threatens you or someone else.

When the people who are supposed to care for you do not look after you, if they do not give you enough food or let you sleep when you are tired, or if they do not keep you warm or clean or take you to the doctor if you are unwell.

Where can things go wrong for me?

It could happen anywhere:

- In the street

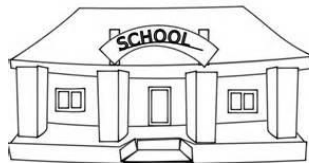

- At home

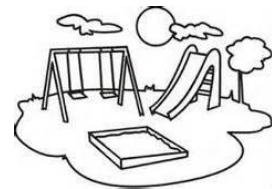

- At a friend's house

- At school

- Somewhere you spend your free time

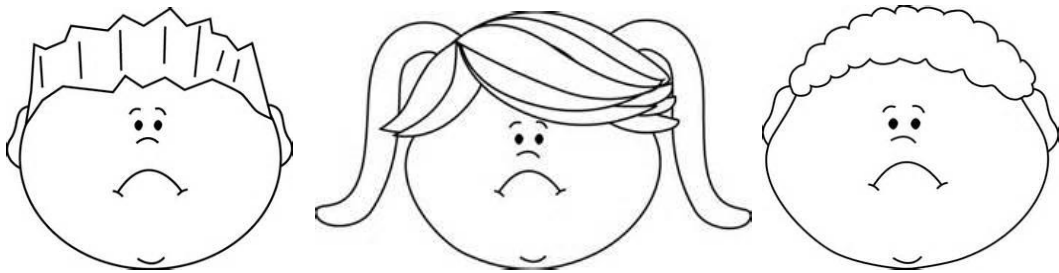

- On your computer or mobile phone

It could be at a childminders house, or at a club or group, it could happen at church or at an aunt's house.

It could happen anywhere, but if
you tell an adult they will be able to
help you.

Someone hurting you is always wrong!

You being hurt is not your fault.

If you are feeling worried or are being hurt you need to tell an adult you trust, even if you have been told not to tell anyone.

These are some people you can tell:

- Someone in your family
- A family friend
- An adult at school, especially Mrs Randall, Mr Langridge, Mr Pollock or Mrs Hill
- A doctor or nurse
- A police officer

DO NOT
KEEP IT A
SECRET!!

If you tell someone and they do not help you, tell someone else!

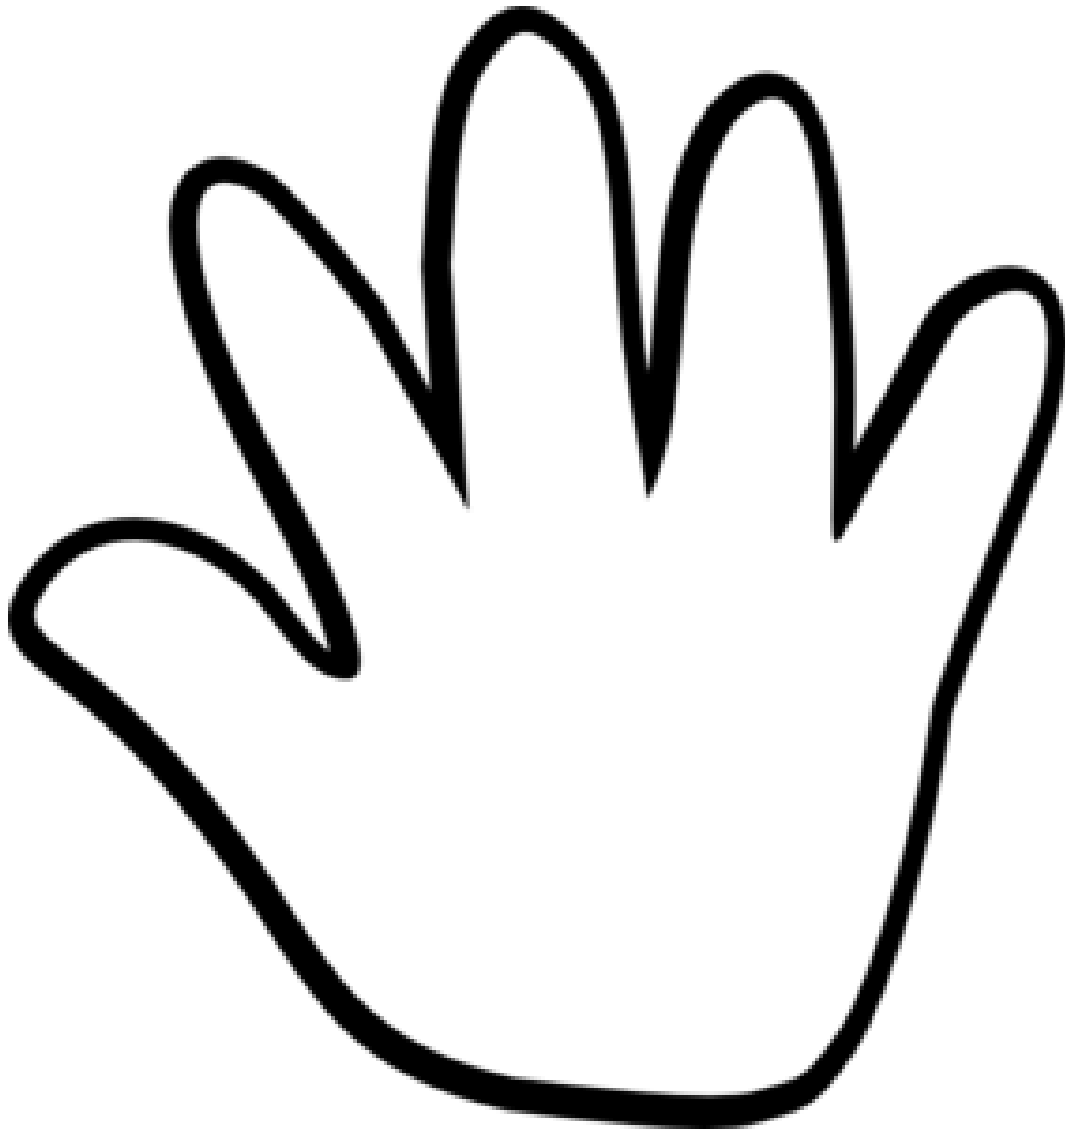

You can also contact Childline - these are safe adults too!

Anytime!

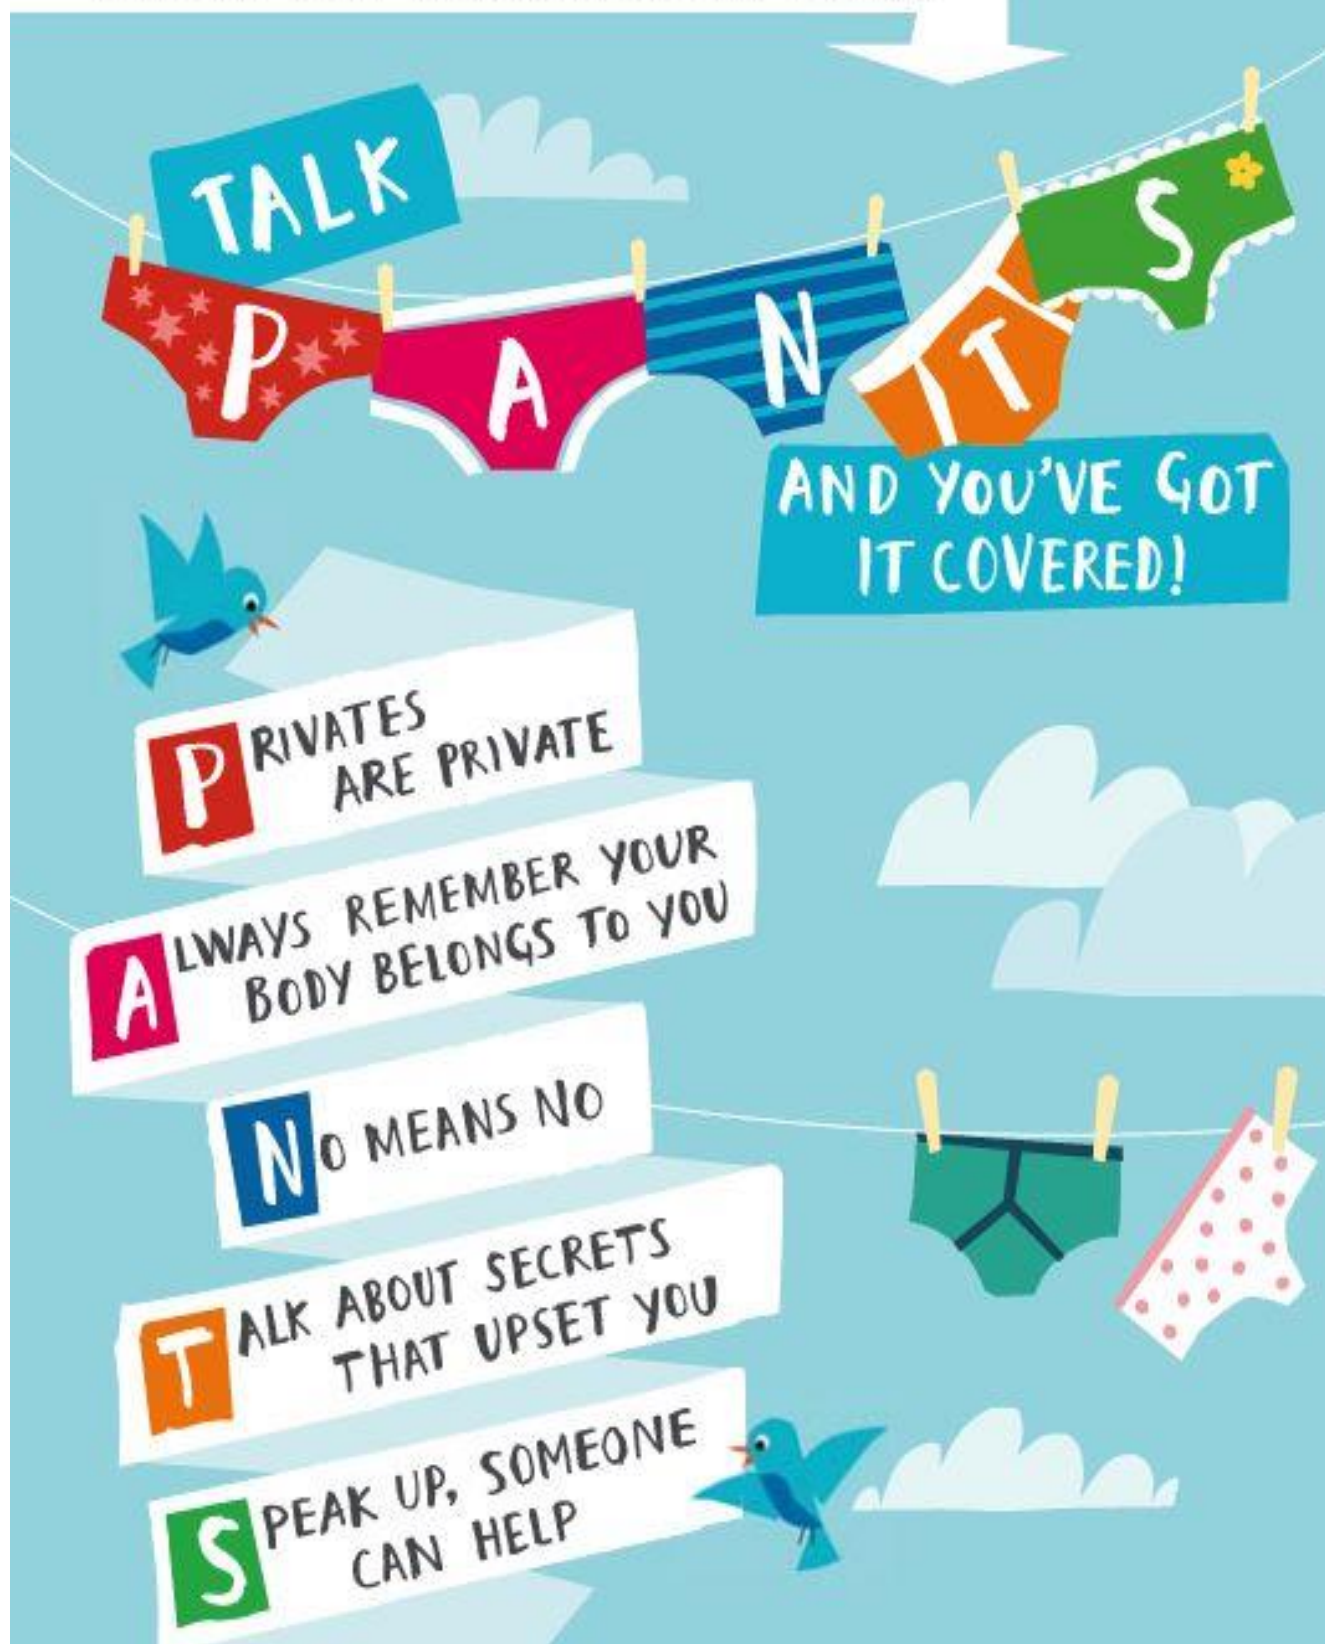

Q: Who can I talk to at school if I am worried or being hurt?

Q: How does Wentworth work to protect children?

A: There are lots of different ways, but the main way is making sure the staff know how to keep you safe and make sure you have someone to talk to if you need to.

Mrs Randall, Mr Langridge, Mr Pollock and Mrs Hill have all had special training that means they know lots of different ways to help you if there is a problem, but ALL the adults in school know what to do if you tell them your worries.

Safeguarding and child protection mean the same thing and it means that we have a duty to keep you safe and look after you.

Next Steps:

After you have talked to an adult they will have to tell someone else what you have said to make sure you stay safe, they are not allowed to keep secrets.

Sometimes Mrs Randall or Mr Langridge or Mr Pollock or Mrs Hill might have to ask special people how they can keep you safe and sometimes these people will ask that we involve other agencies too who have a lot of experience supporting children in tricky situations.

The adults in school will be able to answer any questions that you have.
